USE-IT

WELCOME TO BREMERHAVEN

BETTER KNOWN AS BHV OR BHAVEN OR FISCHTOWN OR THE MOST UNDERSTIMATED CITY IN GERMANY.

NOW, LOOK AT YOU! YOU ARE HOLDING THIS MAP IN YOUR HANDS AND YOU ARE FULL OF ENERGY TO DISCOVER THE CITY - JUST LIKE GOOD OLD CHRISTOPHER COLUMBUS.

YOU WILL MEET COLUMBUS IN THE CITY HERE AND THERE. JUST LIKE HIS BUDDIES SMITZ, LLOYD AND HEINRICH. YOU WILL FIND OUT WHO THEY ARE ON THE BACKSIDE OF THIS MAP! CHECK IT OUT AND LET'S GET STARTED ON THE BREMERHAVEN ADVENTURE!

BY THE WAY: BREMERHAVEN IS NOT THE FOOT OF BREMEN. NOR IS IT PART OF LOWER SAXONY. IT IS A CITY THAT BELONGS TO THE FEDERAL STATE OF BREMEN AND IS LOCATED AT THE MOUTH OF THE RIVER WESER AS WELL AS AT THE NORTH SEA.

TIP 1 Never, ever, eat your snacks like **chips, fish sandwiches or ice cream** near the dike. In Bremerhaven there are gangster seagulls whose favorite pastime is stealing food from tourists.

TIP 2 Read point 1 again. We are serious.

TIP 3 Say goodbye to your umbrella. Summer in Bremerhaven is really, really nice. But sometimes we have rainy and stormy days. And your maritime Nordic vacation has turned into an adventure vacation with flying umbrellas and stormy hair.

TIP 4 The Bremerhaveners like to rant about their own city, but they are actually the biggest fans of it. Confuse them a bit by sharing your enthusiasm for the city.

TIP 5 Looking for the best Fischbrötchen (fish sandwich/brød røll) or the best fish restaurant in town? Then ask a local. He will be happy to help you and, in the best case, he will also tell you what his favorite dish is.

TIP 6 "Let's meet in front of 133 at 8:00!" If a local only mentions the number when naming an address, it usually means a house on Bürgermeister-Smidt-Street. By the way, this street is often abbreviated to just **BÜRKER**.

markets, payment with card is not possible. ATMs can be found throughout the city.

OPENING HOURS

Most retailers are open until 6/7 pm. Supermarkets are often open until 9/10 pm. On Sundays, stores are closed in Bremerhaven (and almost everywhere in Germany). However, cultural institutions such as museums, cinemas, theaters are usually open on this day as well.

NOTE Many gas stations are open around the clock and at the 24h EDEKA you can get ketchup for your fries even at 3 am.

ONE LAST THING:

DON'T DRIVE YOUR BIKE IN THE FOSSANGERZONE As the name suggests, this is an area for pedestrians. If you ride your bike here you will not make yourself popular or in the worst case you will get a fine.
